What's New in the Horoscope, Tarot, Astrology: Fortune Teller AstroBot?

“AstroBot” is the first fortune telling app for Android where you can speak with Astrological AI in natural language, and get personalized horoscopes from the Zodiac signs. AstroBot will read your fortune correctly and figure out where are you coming from according to the planets of your birth. AstroBot will predict if you will have a good or bad week by the Zodiac signs that you are born in. AstroBot is also a perfect app for office politics, an environment where the competition is fierce, so that people can know your character. As AstroBot can read the character of a person, you will definitely know if the person you want to meet is friendly or not. Suitable for anyone, AstroBot will help you to be prepared for work everyday. Before that, AstroBot will let you know what you are going to be working on the next day. And AstroBot will remind you on what you should be doing everyday. Speaking about the daily use, AstroBot can also tell you the daily news and remind you of weather forecasts on the days you don’t want to know. It will be the best friend in your mobile phone. You can set the personalized Astrology and Good News at the same time, and you can change the voice of the astrology according to your need. Even if you don’t know how to read the card, AstroBot will be your tutor to provide you with the personalized Astrology and Good News for the sake of your daily life. Features: • A customizable news feed and personalized Astrology Readings per day • Fully personalized reading for each sign in real time, so you can read the Astrological forecast for the entire zodiac • Has an interactive tarot card where you can change the colors of the suit to suit your needs • Shows top Google Search and Apple Apps choices for each sign. • Shows a conversation with the AI, which clearly conveys the message of your chosen outcome • Featured in Google Play and App store for free. For the first year, a 1-Year Premium membership costs \$2.99. After the initial year, a Premium membership costs \$4.99/month. If you decide to cancel, your current Premium membership can be resumed at any time by simply clicking "Cancel" within the app. Premium membership is required in

order to access the Star Prediction features. Users can pay a one-time fee of \$19.99 to add
