You have just found an up-to-date and most updated software "Edius Robuskey for EDIUS"direct download link with crack and serial number..Description Premium Quality, High-Speed 1.5kw Direct Inverter Generator. Regularly used as replacement spare for the main generator, the unit can easily operate as a stand-alone unit to provide power to sockets or to charge a battery. When paired with the ‘R’ range of high-power inverters, the unit provides up to 4x the run time of the main generator. Now on offer is a Premium Quality, High-Speed 1.5kw Direct Inverter Generator suitable for use in both commercial and domestic applications. The unit operates either single phase or three phase, as required, using either 115 or 230V. The inverter runs continuously at a slow speed to allow easy use in battery charging applications. Optionally, it can be powered by a solar panel set up to charge the battery. This option allows the unit to be run for up to 5 days on a single charge. The power output is 4kW meaning the unit can be combined with the complete ‘R’ range of 1.5kw high-power inverters to create a
