

The game is based on a story of a little girl who helps her parents to find a magical mysterious island named "Crab Island" during her vacation. Her task is to collect various items with her friend Stella. In this game you can complete the story without any additional downloads or pay one-time payment to continue the game. All free activities of the game are available without a time limit. That is to say, you can start playing for as long as you like. From the developer Fairytale Quest, Magnet City is a free Flash game where you control a little mouse on the way of a path to finish the maze and solve all the puzzles. The game has almost 20 levels and there is a time limit to beat each one. The objects to be collected and the extra points are located on every level, but you have only one life. This is a free game so there are no extra charges, but you can choose the difficulty level to adjust for the challenges you want to face.
