Diablo 2 Hero Editor Full Download

diablo 2 character editor is a special character editor for the world-defining action role-playing video game, diablo ii. the hero editor enables you to make your own custom tiles for the world map and a number of enemy units, in many cases with the possibility of combining several of them into one tile. in this respect, the hero editor is very similar to the adventure editor in that it also allows the user to create maps and tiles but unlike the adventure editor, the hero editor provides a number of additional features, such as hotkey commands and auto-saving when your map is saved. furthermore, this editor is ideal for any modders who want to produce their own tiles for the game's world map. the hero editor also allows you to edit the voice lines for all characters in your game, which is great if you are doing re-recording or sound editing. diablo 2 character editor installation package is prepared to be downloaded from our fast download servers. it is
