Full Moon Uncapped I want to give all my little girls full moon uncapped items, but I am unsure if I can and would like to hear all your opinions. I know some people love their uncapped items, and others do not like them at all. My girls are medium to small, about 2 1/2 - 3 years old. They are currently using SunBum Undie's Cap Jock '98 and are very excited about it. Should I pass on the '98, and just get full moon uncapped? I think my girls can handle it as their eyes arent very big. Thanks for all your opinions!!! Just be sure to pick the style that will fit your child the best. Mine are a little over 2 years old. I love their cap jocks because they are smaller than the bigger, older sizes and it's a really fun little product that gives a bit of shape to their undies. If they like that and the full moon then it's a win win. I used to hate those old Moon Undies too. They were too big and baggy, and I ended up hating them. But then, I saw my little girl in them and found that I liked them better than the newer skinny and form
