My Name is Not Friday is a story that centers around black American boys and their journey from slavery to freedom during the Civil War. My Name is Not Friday: 9781419960619 (Amazon.de) Book description: My Name is Not Friday tells the story of black orphan boys during the Civil War. To make matters worse, it's a long-time goal of Confederate soldier Nathan Milton to recruit the boys into his growing network of spies. Three young men emerge as key figures in the story, Samuel, Joshua, and Captain Thomas Jefferson. Everything changes for these three when the opportunity to escape to freedom and freedom itself presents itself. My Name is Not Friday is a story that centers around black American boys and their journey from slavery to freedom during the Civil War. Jon Walter is the author of several popular middle grade novels. The first two, My Name is Not Friday and [email protected] The Lost City, were published in 2013 and 2014, respectively. They both captured the hearts of readers and are available in more than 40 countries. My Name is Not Friday was the first in a new series of popular books set during the Civil War, featuring orphaned boys who lived at the Freedom House Orphanage in Richmond, Virginia. [email protected] The Lost City is the sequel to the first book. [email protected] A Circle of Courage is a fantasy adventure novel. Walter began writing the story in eighth grade when he had a dream about three dark-skinned boys who are about to be sold on the auction block, and the story kept growing and growing as he immersed himself in Civil War history and folklore. "I love history," he writes. "The Civil War especially. I love the way it connects today with the past and creates a weird sense of history that still happens in the present. My fascination with the war was a fairly organic and unplanned process." My Name is Not Friday By Jon Walter A Circle of Courage Book Review: A Book Review for Jon Walter's My Name is Not Friday Your maiden name is not Friday, Your son's name is not Friday, ... There are so many books about Friday, a Friday who changes a lot through time and space. I like the book Friday my Sister called me ... He does not like to go to school, and has to stay at home a lot. At the same time, his mother wants him to go to a school with

John and his family woke up and made their way to the palanquin. Then, the cart driver arrived and let him out, and the rest of the people were ready to go. "NOPE." The men were divided, one going up the road and the others going down the road. "See, she said no." The group of soldiers came back a short while later, looking very defeated. "For the fourth time you have been disallowed entrance." "No matter!" John told him, "We are here to see my cousin. She is very important to me. We won't leave without her." "Alright," the man told him. "Could you take our palanquin to her? We are afraid she has been wounded." The man motioned to a guard behind him and the guard reached out and grabbed the palanquin. John was slowly beginning to get angry with the guard. He was just doing his job. The man allowed him to come inside. The guard brought the palanquin in, and a few minutes later, Alex and Jeremy were at the door, too. "Welcome home," Alex said with a big smile. "I am so glad to see you," Jeremy said, hugging Alex. "What's the matter, Jeremy?" Alex asked. "Grandma says your head is as white as a sheet, and that is a strange thing to say." "Alex just got back, that is all." "Oh," Jeremy said, then turned to the rest of the people. Jeremy helped Alex inside, and he took a seat at the table. She was leaning against the back wall of the room. They sat f988f36e3a
